

Assessment of foreign secondary education in the admissions procedure of Charles University, Third Faculty of Medicine

If you want to study at university in the Czech Republic, you need to have your secondary education certificate recognized by the Czech recognition authority – the process of recognition differs according to the country you have completed the education in and is called "*nostrifikace*".

The faculty has to recognize whether the level of your previous education allows you to study at university and the validity of the foreign documentation. For the assessment you need to:

- 1) have the original of your high-school leaving certificate
- 2) take a **notary verified copy** of it (in Czech republic available at CheckPoint - post office) (*countries marked B - list of countries below*)
- 3) get an official translation to Czech or English language
- 4) get it authenticated in form of **Apostille** (*countries marked A - list of countries below*) or **Superlegalisation** (*countries marked L - list of countries below*)
- 5) Send the documents **in hard copy by post or deliver personally** (*the documents cannot be sent by e-mail*) to the faculty address:

Third Faculty of Medicine, study division
Ruská 87
100 00 Prague 10

- 6) **Request** the form of assessment in your on-line application in the section "**Proof of education**"

 - b) *European Baccalaureate*
 - c) *document automatically equivalent without any further administrative procedure*
 - d) *foreign document concerning a foreign education (will be assessed)*
