**Number of admitted applicants**

Maximum 65 students will be admitted for the academic year 2019/2020 to study medicine in English language on the basis of entrance examination, maximum 25 students will be admitted without the need to carry out on entrance examination.

**Annual tuition fee**

CZK 330,000 (Czech crowns)

The tuition fee covers the period from September 2019 to June 2020 and has to be paid to October 31, 2019.

**Requirements for admission procedure**

The Faculty seeks students with appropriate academic qualification, good command of English and high motivation to study medicine. There is an entrance examination, consisting of two parts. The first one incorporates a multiple-choice test (30 questions for each subject) in Chemistry, Biology and third test you can choose between Physics and Mathematics.

In case of succeeding through the written exam, the applicant will proceed to the second part - the interview.

The second part is composed of an interview with interpretation of an unfamiliar section of a scientific article and conversation focused on motivation and general knowledge of the student. The range of topics for Biology, Chemistry and Physics/Mathematics entrance tests can be found here.
Prerequisites for admission without the need to carry out an entrance examination

1a) A-level examination results – Physics or Mathematics, Chemistry, Biology:
Minimum results: A, A, B
The examination must be carried out in the academic year 2017/2018 at the latest
or
1b) Results of International Baccalaureate (IB) in Area 4 (Experimental Sciences) with Chemistry, Biology and Physics or Mathematics, all in Higher Level:
Total – minimum sum of points from the given 3 subjects: 19
The examination must be carried out in the academic year 2017/2018 at the latest
or
1c) Results of a comparable examination (e.g. SAT) in Biology, Chemistry, Mathematics or Physics:
Overall minimum score: 85 percentile
The examination must be carried out in the academic year 2017/2018 at the latest
or
1d) Study average of school leaving exams subjects (applicants attending secondary education in Germany):
Grade average during the whole period of study: better than 1,30
The applicant must graduate from secondary education in the academic year 2018/2019

2) An applicant for study that wishes to be accepted into the first section of study (first year) without an entrance examination is required to submit an application form for the remission of the entrance examination (application form available here in pdf or docx) together with an application form for study to the Study Division of the Faculty to the March 15, 2019 (the date of postage is decisive).

3) An order of applicants will be drafted based on the criteria above and study grade averages. A maximum of 25 applicants may be admitted without an entrance examination.

**When admitted**

According to Rector’s decree No. 15/2018 the Faculty is allowed to issue the official decision on admission only if the applicant provides nostrification of secondary education. More information you can find here. How to fill the on-line nostrification request.

**Enrollment to study**

The enrollment to study General Medicine master programme will take place during the Orientation camp in Dobronice (organized in two rounds September 2nd to September 8th 2019) or on September 9th 2019 in Burianova lecture hall (ground floor of the Faculty building) at 7:30 a.m. Before registration you have to provide the nostrificated secondary school certificate or apply for nostrification at the Faculty. Please see Assessment of foreign secondary and tertiary education in the admissions procedure of Charles University.

In case this registration date does not suit you because of some serious reason, please let us know by sending an e-mail to miriam.krizova@lf3.cuni.cz to arrange an alternative.

**Orientation camp in Dobronice**
A traditional and very beneficial event is a four-day orientation camp for future students of the first study year of all study programmes of our faculty, which will take place at the training center of Charles University in Dobronice. The camp is divided into 2 rounds.

We are the only medical faculty, which organizes training camp for both Czech and foreign students of first study year.

Conditions of participation in the camp:
registration on:  [dobronice.lf3.cuni.cz](http://dobronice.lf3.cuni.cz) by July 26, 2019 at the latest

More information

1. Textbooks, accommodation and meals are not included in the tuition fee. The cost of living is relatively low in Prague. Accommodation costs approximately € 300 per month whereas the cost of meals is approximately €120.
2. International students admitted to the Faculty should secure a health insurance for themselves (for all forms of medical treatment) - from their home countries for the duration of their stay in the Czech Republic. **Students may make a contract with a Czech health insurance company.**
3. Admitted applicants have to apply for a long stay student visa at the respective Czech Embassy in their home country. **This visa is absolutely necessary** for international students besides EU and Norway.
4. All admitted students shall attend 10 days intensive Czech language course in September 2019.
5. Accommodation for the 1st year international students can be arranged at the Charles University dormitories. (approx. € 250 per month). But the places are limited.
6. The Faculty offers prospective applicants a 5 month (January-May) preparatory course in Biology, Chemistry, Physics and Czech and English Languages.
7. The academic year 2019/2020 begins on October 1, 2019. A winter semester lasts 15 weeks till the middle of January and is followed by a 4-weeks examination period. At Christmas time, students have a holiday (10-14 days). A summer semester lasts 15 weeks from around February 20 till the end of May. The summer examination period ends 4 weeks later. It continues after the summer holiday during the month of September.
