

THIRD

FACULTY OF MEDICINE

CHARLES UNIVERSITY IN PRAGUE

CZECH REPUBLIC

INFORMATION ABOUT STUDY AND
ENTRANCE EXAMINATION FOR
ACADEMIC YEAR 2015/2016

Study program:

GENERAL MEDICINE – study in English

Standard length of study is 6 years. Form of study is full-time only. Students of English curriculum are obligated to pay the tuition fee. Tuition fee for academic year 2015/2016 is 330.000,- CZK.

Faculty graduates receive a complete medical education. After the graduation former students are awarded the degree MUDr. (*Medicinae Universae Doctor*); application is possible in all fields of medical specialization. Since academic year 1996/1997 teaching realized according to the reformed and modernized study program, which allows students to obtain an integrated knowledge in theoretical and preclinical disciplines.

Students become familiar with basic clinical problems in the form of problem-oriented studies and clinical training leads not only to the application of theoretical knowledge, but also to acquire practical skills.

Educational objectives are in accordance with European medical faculties program *Euroskills*-to which our Faculty joined.

Introductory course

The entrance examinations will be in several terms from **April 2015 till July 2015** depending on the venue and **it has 2 parts:**

1. part – multiple-choice test (30 questions for each subject) in Chemistry, Biology and third test you can choose between Physics and Mathematics by the beginning of the testing.

There is always only one correct answer.

Minimal and maximal possible number of points for the first part is: 0 - 90

Applicants who successfully pass the written test may proceed to the second part of examination.

2. part – interview – involves:

- interpretation of a popular-scientific text,
- evaluation of communication skills,
- ability of independent judgment,
- general overview

Minimal and maximal possible number of points for the second part is: 0 - 30

(Note: second part of the examination is not a knowledge test).

Number of points for acceptance will be determined by the Dean of faculty.

Assumed number of accepted applicants is 60.

All applicants must send to the address of the study division (see next page) following documents:

1. Application Form for Admission to study in English - General Medicine

2. **Verified copies of secondary/high school certificates and leaving certificate**, which must be translated into English or Czech and must be certified with an Apostille by the Ministry of Foreign Affairs or Ministry of Education of the country you studied in, and **official transcript**, including all marks/grades and number of hours.

3. Two passport-size photographs.

4. Certificate of the payment of admission fee of € 20 (non-refundable)

The deadline for sending the application is May 31, 2015.

Applicants may be accepted without the need to carry out an entrance examination upon fulfillment of the following prerequisites:

1a) A-level examination results – physics or mathematics, chemistry, biology:

Minimum results: A, A, B

The examination must be carried out in the academic year 2013/2014 at the latest or

1b) Results of International Baccalaureate (IB) in Area 4 (Experimental Sciences) with Chemistry, Biology and Physics or Mathematics, all in Higher Level: Total – minimum sum of points from the given 3 subjects:19

The examination must be carried out in the academic year 2013/2014 at the latest or

1c) Results of a comparable examination (e.g. SAT): Overall minimum score: 85 – 90%

The examination must be carried out in the academic year 2013/2014 at the latest or

1d) Grade average during studies (applicants attending secondary education in Germany):

Grade average during the whole period of study: better than 1,30

The applicant must graduate from secondary education in the academic year 2014/2015

2) An applicant for study that wishes to be accepted into the first first year without an entrance examination is required to submit an application form for the remission of the entrance examination together with an application form for study to the Study Division of the Faculty by the **15th of March 2015** (the date of postage is decisive).

3) An order of applicants will be drafted based on the criteria above and study grade averages. A maximum of 25 applicants may be admitted without an entrance examination.
