# FACULTY OF MEDICINE

CHARLES UNIVERSITY

CZECH REPUBLIC

INFORMATION ABOUT STUDY AND  
ENTRANCE EXAMINATION FOR  
ACADEMIC YEAR 2019/2020

## Study program:

### GENERAL MEDICINE – study in English

Standard length of study is 6 years. Form of study is full-time only. Students of English curriculum are obligated to pay the tuition fee. Tuition fee for academic year 2019/2020 is CZK 330 000.

Faculty graduates receive a complete medical education. After the graduation former students are awarded the degree MUDr. (*Medicinae Universae Doctor*); application is possible in all fields of medical specialization. Since academic year 1996/1997 teaching realized according to the reformed and modernized study program, which allows students to obtain an integrated knowledge in theoretical and preclinical disciplines.

Students become familiar with basic clinical problems in the form of problem-oriented studies and clinical training leads not only to the application of theoretical knowledge, but also to acquire practical skills.

Educational objectives are in accordance with European medical faculties program *Euroskills*-to which our Faculty joined.

Introductory course

**The entrance examinations** will be in several terms **from May 2019 to July 2019** depending on the venue and **it has 2 parts:**

**1. part** – multiple-choice test (30 questions for each subject) in Chemistry, Biology and the third test you can choose between Physics and Mathematics by the beginning of the testing.

There is always only one correct answer.

Minimal and maximal possible number of points for the first part is: 0 - 90

Applicants who successfully pass the written test may proceed to the second part of examination.

**2. part** – interview – involves:

- interpretation of a popular-scientific text,
- evaluation of communication skills,
- ability of independent judgment,
- general overview

Minimal and maximal possible number of points for the second part is: 0 - 30

(Note: second part of the examination is not a knowledge test).

Number of points for acceptance will be determined by the Dean of faculty.

Assumed number of accepted applicants is 90.

All applicants must send to the address of the study division (see next page) following documents:

1. **Verified copies of secondary/high school certificates and leaving certificate**, which must be translated into English or Czech and must be certified with an Apostille, by the Ministry of Foreign Affairs or Ministry of Education and the Czech Embassy of the country you studied in, and **official transcript**, including all marks/grades and number of hours.

2. One passport-size photograph.

3. Certificate of the payment of admission fee of CZK 640,- (non-refundable)

**The deadline for sending the application:** [www.lf3.cuni.cz/en/applicant/how-to-apply/](http://www.lf3.cuni.cz/en/applicant/how-to-apply/)

Applicants may be accepted without the need to carry out an entrance examination upon fulfillment of the following prerequisites:

**1a) A-level examination results – Physics or Mathematics, Chemistry, Biology:**

Minimum results: A, A, B

The examination must be carried out in the academic year 2017/2018 at the latest or

**1b) Results of International Baccalaureate (IB) in Area 4 (Experimental Sciences) with Chemistry, Biology and Physics or Mathematics, all in Higher Level: Total – minimum sum of points from the given 3 subjects:19**

The examination must be carried out in the academic year 2017/2018 at the latest or

**1c) Results of a comparable examination (e.g. SAT): In Chemistry, Biology and Physics or Mathematics**

Overall minimum score: 85 percentile

The examination must be carried out in the academic year 2017/2018 at the latest or

**1d) Grade average during studies (only for applicants attending secondary education in Germany):**

Grade average during the whole period of study: better than 1,30

The applicant must graduate from secondary education in the academic year 2018/2019

2) An applicant for study that wishes to be accepted into the first first year without an entrance examination is required to submit an application form for the remission of the entrance examination to the Study Division of the Faculty by the **15th of March 2019** (the date of postage is decisive).

3) An order of applicants will be drafted based on the criteria above and study grade averages. A maximum of 25 applicants may be admitted without an entrance examination.
