
Health Care for students in English curriculum

Foreign students should arrange health insurance covering the duration of their study at the Third Faculty of Medicine, Charles University. The insurance can be arranged either in their own home country or in the Czech Republic at the beginning of the study.

Condition of health insurance and payment

In case of presenting EU insurance card (blue), no payment is required (not valid in requested tests for ERASMUS and other institutions like MRSA test, titres of antibodies against hepatitis...)

Students from EU *without Euro* Insurance card or non-EU students must pay for the examination and only then they can ask their insurance company for repayment.

The doctor responsible for following medical care is **Dr. Rachel White, Dr. Veronika Valchová**
