# Dr. Marie Bourne

---

In 2005 she went to England for a year thanks to a scholarship from Open Society Fund. In 2020 she finally returned to Prague. In between times she spent 2 years in a Harry Potter style boarding school in the South of England, 5 years studying Medicine in Yorkshire, 2 years doing Foundation Programme in Northern Scotland, 1 year studying gerontology in Holland, and 4 years in GP speciality training back in Yorkshire. She then proved to the Czech Ministry of Health she can still speak Czech and was very glad to return home. She has been working at Ordinace Karlín since September 2020 and is taking part in teaching GP at the Third Faculty of Medicine of Charles University.
