Before arrival
- Health insurance

All international students are required to have health insurance to help cover unexpected medical expenses. While EU citizens’ medical expenses are fully or partly covered by their domestic insurance, US and other citizens need
individually to arrange student health insurance with local or other insurance companies. Having health insurance is also a prerequisite to get a visa.

- **Visa**
  If you need a visa, please apply to a Czech Embassy or Consulate well in advance, i.e., three months prior to your departure. Your Letter of Admission from the Dean of the Third Faculty of Medicine, which you will obtain as a successful applicant, will allow you to get one for the initial period of your study in the Czech Republic.
  For more information: [Entry requirements - visa](#)

- **Accommodation**
  You can arrange private accommodation or get accommodated at the university dorms. If you are interested in accommodation at the university dormitories, the study division helps freshmen to arrange it. In this case make sure to save yourself a spot at the dorms and send a request to marie.ghasemi@if3.cuni.cz. For more details you can visit the dorm website [here](#).
