## How to apply in Educational Information System - SIS

Educational information system (SIS) for the entire university is available at <http://is.cuni.cz/studium/>.

**Students' login names:** Number under your photo in university student ID.

**Passwords** – the passwords from CAS will be used. (<http://ldap.cuni.cz>)

### Passwords

It is necessary to have a university student ID. Addresses of issuing places for IDs can be found at <http://www.cuni.cz/UK-1445.html>. The default password (issued by the issuing place) must be changed in 10 days. The URL for password change is <https://ldap1.cuni.cz/language/switch?lang=en>.

The minimal password length is 6 characters and the password must include at least three categories of characters: lower case, upper case, digits, special and other characters. The password may not include first name or the surname.

**If you forgot your password**, you can apply for a new one here: <https://ldap1.cuni.cz/reset/search/>.

The form for questions regarding the login procedure is <http://www.is.cuni.cz/webapps/index.php?controller=Publicadvisory&action=index>

**Neither study department, neither SIS administrator have a possibility to find out the forgotten password or to set up a new one!**

If you are repeatedly unsuccessful in setting the password, you can send an email to: [casadmin@cuni.cz](mailto:casadmin@cuni.cz)
