# English language exams for postgraduate students

---

If you plan to pass the English exam this academic year, you must ask your Dean's Office Coordinator, Hana Vlčková, to enter your name in SIS. Furthermore, exam dates can also be found in SIS, where you will have the possibility to register for said exam as well.

Regularly updated information relating to the English exam is available in Moodle - course Postgraduate Student English Exam. <https://dl3.cuni.cz/course/view.php?id=183>

Moodle login details are just the same as for SIS.
