
Open Doors Day for Applicants 2022

OPEN DOORS DAY

7TH OF JANUARY, 2PM
RUSKÁ 87, 100 00 PRAHA 10

What does studying at the Third Faculty of Medicine look like, what's the speciality of the Královské Vinohrady University Hospital, or what to do for a successful admission? You will find out all the answers during our Open Doors Day!

The number of people at the event will be regulated due to the current epidemiological situation. Pre-registration will be required to participate in the event.

We start the registration on December 13, 2021 at 20:00 at <https://dod2022.if3.cuni.cz> , so don't forget to set a notification! Unfortunately, entry to the event will not be possible without a confirmed registration. We will publish all the details of the sign up soon!

A valid vaccination certificate is a necessary condition of participation.

And now to the point!

JANUARY 7 2022 AT 14:00!

What to look forward to

- Introduction to the Master's degree in General Medicine, including all relevant information on the admission procedure
- Opportunity to meet students and ask anything you are interested in
- Introduction of our student associations - TRIMED, IFMSA ... etc.
- Workshops on surgical suturing, demonstration of anatomy and histology, virtual reality
- First aid lecture in the form of a model situation... and much more! The accompanying program will take place on all 6 floors of the faculty from 14:00 to 18:00.

Unfortunately, the capacities of the event are limited, so we are also preparing its online version for all those who do not manage to register themselves in time. For more information, turn on the notifications for new posts!

See you there!
