## Individual or group visits for applicants

If you are interested in applying at the Third Faculty of Medicine and are curious about the faculty's facilities, the hospital campus, the structure and organization of the first year, or if you have any other doubts or curiosities, you might want to consider visiting us.

There are two ways you can visit us, in person or online, via a Zoom call.

### What can you expect?

**In Person Visits:** You can visit the faculty alone or with any company of your choice. You are typically accompanied by a student from 2nd year or above. You can expect a full tour of the faculty's main building (Building A), a walking tour of the hospital campus and an introduction to the structure of First Year and the entrance exams. The older student is equipped to answer any specific questions or concerns that you may have.

**Online Call:** If traveling is not an option for you right now, you may request an online meeting where you'll be briefly introduced to the faculty's organization, the structure of first year and given space to talk and ask about any concern you may have.

### Booking a visit

To book a visit please write an email to Ms. Marie Ghasemi at [marie.ghasemi@lf3.cuni.cz](mailto:marie.ghasemi@lf3.cuni.cz) or by phone +420 267102189.

Be sure to include the following information:

- **Name & Surname**
- **Nationality**
- **Phone number (through which you can be contacted on the day of the visit)**
- **Date & times you'd be in Prague and available**

### Feedback from applicants
