What does studying at the Third Faculty of Medicine look like, what’s the speciality of the Královské Vinohrady University Hospital, or what to do for a successful admission? You will find out all the answers during our Open Doors Day!

**JANUARY 6 2023 AT 14:00!**

**What to look forward to**

- Introduction to the Master's degree in General Medicine, including all relevant information on the admission procedure
- Opportunity to meet students and ask anything you are interested in
- Introduction of our student associations - TRIMED, IFMSA ... etc.
- Workshops on surgical suturing, demonstration of anatomy and histology, virtual reality
- First aid lecture in the form of a model situation... and much more!

See you there!
