4EU+ Prague Summer Scientific Symposium

Under the patronage of her magnificence Prof. Milena Králičková, rector of Charles University

In collaboration with Czech Diabetology Society and Czech Microbiome Society

On behalf of the organizing committee and Charles University as an organizing institution of the 4EU+ Prague Summer Scientific Symposium, it is my great pleasure to invite you for a multidisciplinary meeting on Emerging new concepts and approaches to target the diabetes pandemic in urban areas: from physiology to successful implementation! We are looking forward to meeting you in Prague, the magical heart of Europe, where medieval alchemy meets the latest cutting-edge research!

Jan Gojda

Third Faculty of Medicine, Charles University, Prague
