

The [Vancouver Summer Program](#) (VSP) is a four-week academic program that offers a unique opportunity for your students to study at one of the world's top universities, live in residence on UBC's stunning Vancouver campus, engage in a variety of social activities, and build friendships with the students from around the world.

UBC School of Nursing will be offering [two packages](#) for the upcoming **July 11 - August 11, 2025 session**. Detailed information, including our [brochure](#), [social media updates](#), and [captivating photos](#), can be found [here](#).

Applications for the 2025 session have been **extended until April 25, 2025**. The program is open to students from **all disciplines**. Students may apply online [here](#). We encourage you to register your students early in order to secure their preferred course package and obtain a visitor visa in time if required.

Early registration ensures the selection of their preferred course package and allows ample time for visa processing if required. Should you have any inquiries or need further information about the 2025 UBC Vancouver Summer Program, please don't hesitate to reach out through this email or visit us [here](#). We look forward to working with you and welcoming your students this summer!
