INTERNATIONAL OLYMPIAD FOR MEDICAL STUDENTS

"Medicine of the Future 2025"

Invitation to Participate in the International Olympiad for Medical Students

Dear Participants, Faculty Members, and Guests,

Central Asian University is pleased to welcome you to the International Medical Olympiad "**Medicine of the Future 2025**," which will take place from **October 31 to November 3, 2025**. This prestigious event brings together the brightest medical students eager to demonstrate their high level of knowledge, analytical skills, and practical expertise.

The Olympiad provides a unique opportunity to exchange professional experience, explore cutting-edge medical technologies, and establish international scientific collaborations. We believe that participating in this event will be a significant milestone in your professional journey.

The grand prize of the Olympiad is 38 000 USD.

About Central Asian University:

Central Asian University – is a modern educational institution that combines academic traditions with innovative teaching methodologies. We create an international platform for talented students, offering opportunities for scientific research, advancement in medical practice, and the development of intercultural communication.

About the CAU School of Medicine

The School of Medicine at Central Asian University is distinguished by:

- High-quality education that meets international standards.
- Practice-oriented training incorporating advanced simulation technologies.
- Collaboration with leading clinics and medical centers.
- Extensive opportunities for scientific research and participation in international projects.

We are confident that this Olympiad will not only test your professional abilities but also provide invaluable experience, opening new opportunities for growth. We wish you success, confidence, and inspiration!

Welcome to the future of medicine!

Dates: October 31 – November 3, 2025
