

Dear prospective applicants and Ophthalmology enthusiasts,
We are thrilled to announce that applications are now open for the **Summer School of Ophthalmology 2026** taking place **August 7-9 2026 in Prague!**

The 2026 event marks the project's 4th anniversary and we can't wait to welcome another group of enthusiastic and talented future Ophthalmologists to our venue.

Brief overview of event details:

Application period: Until 15th of February 2026

Notification of results: 20th of February 2026

Language: English

Dates: 7–9 August 2026

Venue: Department of Ophthalmology, FNKV, Prague, Czech Republic

Application Fee: 250 EUR

Available places: 18

Eligibility: Intended for medical students in their final years of study, and junior doctors before starting Ophthalmology residency; in specific cases, more junior candidates will be considered

We are looking forward to your applications and to hopefully welcoming you to Prague next Summer!

We offer a robust, hands-on programme where you will gain practical skills such as slit lamp and YAG laser operation, fundus examination techniques, IOP measuring, corneal suturing and cataract surgery on a pig eye model, all supplemented with VR surgery and expert lectures in relevant research areas delivered by our handpicked experts.

The Application Fee covers access to all courses, three meals a day, a city transportation ticket for the event, a sightseeing tour and a final ceremony dinner.

The application form for 2026 is available [here](#).

More detailed information about next year's Summer School is available at our [website](#).

Kind regards

Martin and Vasil

Co-organisers of the Summer School of Practical Ophthalmology
