

Dear Mgr. Marika Bendová - international cooperation, incoming/outgoing students,
Greetings from EXEGYPT.

I am Dr. Amro El-Metaafy, Plastic and Reconstructive Surgery Specialist at Suez Canal University.

On behalf of EXEGYPT, we are pleased to provide **Charles University - Third Faculty of Medicine** with extended access to the current application phase for participation in **EXEGYPT Intercontinental Summer School 2026**, an internationally oriented academic and cultural program hosted in Egypt.

The program is designed to provide students and fresh graduates with a unique combination of hands-on exposure, internationally certified training, and intercultural exchange through collaboration with accredited academic institutions and professional training environments.

This extended access is being shared with selected institutions to allow additional time for student participation before applications close.
