

"The first open call to the RIS Fellowships project has just started!"

This is a brand new initiative dedicated to students and graduates of Msc. from different study backgrounds around RIS countries, who are looking for internship opportunities in agri-food related companies.

The RIS Fellowships project is organized jointly by University of Warsaw, AZTI Foundation, Maspex, PepsiCo, Puratos, with support of CLC North-East and CLC South.

I would be grateful if you could share this information with relevant contacts, individuals and organisations from your country, who cooperate with students or graduates of Msc. including: universities, research institutes, innovation incubators, technology transfer organisations, career's offices and students associations. If you have further questions concerning the RIS Fellowships project, please do not hesitate to contact: risfellowships@wz.uw.edu.pl.

Application deadline: April 30th 2018

Below you will find a brief description of the RIS Fellowships project:

Get unique, professional, paid 3-months internships

and reveal your talent in agri-food sector.

Gain hands-on experiences and strengthen your job-related skills.

30 best students and graduates from many study backgrounds from RIS countries will discover job opportunities

in the food industry.

JOIN 1 of 13 RIS FELLOWSHIPS GROUP VIA LINKEDIN TO APPLY

Deadline: April 30th 2018

30 students and graduates with different educational backgrounds from RIS countries will discover job opportunities in the food industry, by getting unique, professional, paid 3-months internships within the framework of RIS Fellowships project. Unlike other scholarship projects, the students and graduates will reveal their talents in agri-food sector, through gaining hands-on experiences and strengthening their job-related skills, including analytical thinking and creative problem solving.

During multi-step recruitment process, candidates will not only learn how to professionally prepare outstanding LinkedIn profile but also will actively participate in unique networking and case study solving workshops led by EIT Hubs. Selected best 30 talents will get internships in different areas of operations in EIT Food consortium companies or RisingFoodStars companies. Interns will take learning-by-doing activities by solving real problematic situations that the companies in food industry are facing. All interns will be provided with a scholarship of 1000 EUR gross monthly.

The RIS Fellowships project is organized by: University of Warsaw (Poland), AZTI Foundation (Spain), PepsiCo (UK), Puratos (Belgium), Maspex (Poland) with support of

CLC North-East and CLC South.

Recruitment starts April 3rd!

Application deadline: April 30th 2018
