

University of Medicine and Pharmacy "Carol Davila", Romania

Medicine (in English), Dental Medicine, Pharmacy, Midwifery and Nursing

The University of Medicine and Pharmacy "Carol Davila" is the oldest school of medical education in Romania.

Its high prestige through the historical perspective, is augmented by the experience of its current teaching staff, by the number of students, the area of hospitals and laboratories, as well as the quality of the equipment, and most important the professional quality of the graduated medical students.

Permanent clinical training is carried out in the 31 university hospitals of Bucharest, which include all the medical and surgical specialties and the centres of excellence in health care of Romania. Through the years, the worldwide medical community has acknowledged the doctors who have studied in this University.
