Select your university campus license

Lékařská Fakulta v Plzni, Univerzita Karlova v Pra

Success! Your IP Address matches.

Please provide your official university email address.  
(my.email@provider.com):

6) Do nového boxu vyplňte svou emailovou adresu (nemusí být univerzitní!) a znovu klikněte na tlačítko **Campus License**.

6) Fill in your email address in the new box (this does not have to be a university email!) and click the Campus License button again.

The image displays two sequential screenshots of the 'Campus License' web interface. The left screenshot shows a blue 'Campus License' button being clicked. Below it, a dropdown menu is open, showing 'Lékařská Fakulta v Plzni, Univerzita Karlova v Pra' selected. A success message reads 'Success! Your IP Address matches.' Below this, a prompt asks for an official university email address, with a placeholder '(my.email@provider.com):' and an input field containing 'ambosstrial@seznam.cz'. The right screenshot shows the same interface after clicking the button. The 'Campus License' button is now greyed out. The success message is repeated, followed by instructions: 'Please check your inbox of ambosstrial@seznam.cz and activate your campus trial as explained in the email.' A note at the bottom says '(If you misspelled your email address, change it under Account on the right hand side.)'

7) Na zadaný email dorazí potvrzovací zpráva (podívejte se i do hromadné složky/spamu), ve které je třeba kliknutím na poskytnutý odkaz potvrdit spárování institucionální licence s Vaším Amboss účtem.

7) A confirmation message will be sent to the email you entered (check the bulk/spam folder), in which you must click on the provided link to confirm the pairing of the institutional license with your Amboss account.
