The Big Four

| Institution | Institutes | Budget | Researchers |
|-------------------------|---------------------|---------------|-------------------------|
| Max Planck Society | 83 institutes | 2.2 bn euros | 13,300 |
| Helmholtz Association | 18 research centres | 4.24 bn euros | 38,200 (staff in total) |
| Fraunhofer-Gesellschaft | 67 institutes | 2.1 bn euros | 24,000 (staff in total) |
| Leibniz Association | 89 institutes | 1.73 bn euros | 9,300 |

Max Planck Society

MAX-PLANCK-GESELLSCHAFT

83 institutes

2.2 bn euros

13,300 researchers

47% of the researchers are
of international origin

MAX PLANCK INSTITUT

Research for the future

MAX-PLANCK-GESELLSCHAFT

- Basic research in the natural sciences, life sciences, social sciences and the humanities
- Innovative research fields which are especially demanding in terms of funding or time requirements
- Person-centered research organisation
- 18 Nobel laureates

 89 institutes

 1.73 bn euros

 9,300 researchers

 20% of the researchers are of international origin

Theoria cum praxi

Science for the benefit and good of humanity

- Natural, engineering and environmental sciences, economics, spatial and social sciences and humanities
- Knowledge transfer to policy-makers, academia, business and the public
- Scientific infrastructure, research-based services
- Archives, museums, national libraries

 18 research centres

 4.24 bn euros

 38,200 staff in total

 7,500 of the researchers are of international origin (2014)

Shaping the future with sustainable research

- Energy, earth and environment, health, key technologies, structure of matter, aeronautics, space and transport
- Research infrastructures
- Basic research with a focus on potential applications
- Applied research

 67 institutes
 2.1 bn euros
 24,000 staff (in total)

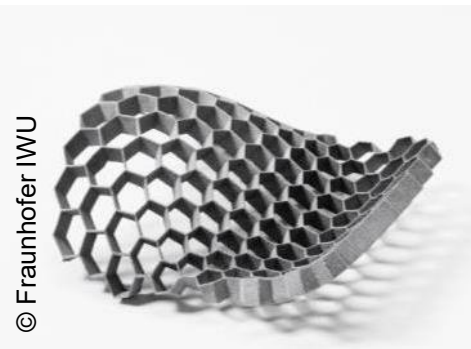

Research dedicated to the future

- Integration of scientific findings into useful innovations for industry and society
- Health, security, communication, mobility, energy and environment
- Contract research for industry and government (70%)

DAAD/VOLKER LANNERT

AN INITIATIVE OF THE

Federal Ministry
of Education
and Research

Research in
Germany

Land of Ideas

Funding for PhD students

Paths to a PhD

Individual vs. structured PhD

Individual PhD

- Individual research under supervision of supervisor
- Optional courses or other forms of teaching / learning
- Mostly informal admission and marginal formalisation

Structured PhD

- Guidance by a team of supervisors / supervising committee
- Mandatory, fixed supporting curriculum (interdisciplinary)
- Defined application process
- Offered by research training groups / graduate schools

Financing your PhD

- No tuition fees
- Living costs: approx. 800 € (20.000 CZK) per month
- Can be self- or parent-financed (external funding)
- Financed by the German supervisor or host institution
- Individual funding: research associate contracts (part-time)
- Apply for a scholarship

Funding for international researchers

Different programmes for different purposes

| | | | |
|------------------------------------|---|---|---|
| Duration | Short-term research stay (up to 2 years) | Long-term research stay (more than 2 years) | Complete doctorate |
| Type of funding | Grant / scholarship fellowship / award | Work contract | Funding* |
| Type of doctorate/ position | Individual doctoral project / structured doctoral programme | Postdoctoral researcher / junior research group leader / junior professorship | Senior researcher / research group leader / professorship |

*generally includes own salary and expenses for staff and consumables

Funding organizations

- DAAD – German Academic Exchange Service 
- DFG – German Research Society 
- Alexander von Humboldt Foundation 
- BMBF – Federal Ministry of Education and Research 
- Leibniz / Max Planck / Helmholtz / Fraunhofer
- EU-Programmes 
- Others (BayHost, Bavarian Czech Academic Agency)

DAAD scholarships: How to apply?

1. Documents to be uploaded to the DAAD portal

- Online application form
- Full curriculum vitae in tabular form (max. 3 pages)
- List of publications (max. 10 pages), if applicable
- Extensive and detailed description of the research proposal which has been discussed with the academic adviser and a description of previous research work (max. 10 pages)
- Schedule of planned research work
- Letter confirming supervision by an academic adviser in Germany, which refers to the applicant's proposal and confirms that the host institute will provide a workplace
- University degree certificate indicating final grade(s): the certificate must be subsequently submitted before the grant-supported research begins if it is not available at the time of application.
- Other documents which support your application (example: certificates of employment, proof of placements, etc.)
- All university certificates on all annual examinations with individual grade(s), incl. explanation of grading system.
- A German language certificate which may be issued by local DAAD lectors. These language certificates don't replace the necessary language certificate for your studies at the German university.
- German or English translations of documents submitted in the national language
- Copy of school-leaving certificate which entitles holders to study at a university in the home country (with all individual grades)
- Proof of admission to a doctoral programme at the home university insofar as the applicant intends to take a doctoral degree there
- In addition, an English language certificate in case the language of research is English

Forschungsmobilität - Programme des Projektbezogenen Personenaustauschs (PPP)

Zur Stärkung der Wissenschaftsbeziehungen zwischen einer deutschen und einer ausländischen Einrichtung und Förderung partnerschaftlicher Forschungsaktivitäten unterstützt der DAAD in den PPP-Programmen gemeinsame, bi-nationale Forschungsprojekte von hohem wissenschaftlichem Niveau. Die Projektmittel sind für die im Forschungsprojekt anfallenden Mobilitätskosten der deutschen Teilnehmer bestimmt und dienen insbesondere dazu, den am Projekt beteiligten Nachwuchswissenschaftlern einen Forschungsaufenthalt an der ausländischen Partnereinrichtung zu ermöglichen.

Study in Bavaria - Doctoral Programmes in English

Would you like to study for a doctorate in Bavaria, but don't know where to start? This list offers you a first overview of struc programmes are particularly attractive for international students, as they often have an international or interdisciplinary focus. During the PhD programme you will receive intensive supervision from a team of university students to complete their PhD programmes within three years. In addition, graduate schools frequently offer programme-s for research associates. If you would like to receive further information on the individual PhD programmes listed, please

If the particular subject area you are interested in is missing from the list, don't worry! In Bavaria, most doctorate students t specific needs. If you choose to pursue this "traditional" route, you can apply at any university department or facility to cond supervise your work on a one-to-one basis.

For more information on PhD programmes in Bavaria and ways to finance your doctorate visit www.study-in-bavaria.de/en/what-where/find-the-right-course/doctoral-programmes/

You may also find useful information on living and studying in Bavaria at www.study-in-bavaria.de.

More information on programmes of the Elite Network of Bavaria for exceptionally talented students and researchers can be

Below, you find an explanation of the German doctoral titles listed in this overview. For information on the process of official country, please enquire at your home university.

Explanation of the German doctoral titles:

Studieren in Bayern: Jahresstipendienprogramm des Freistaats Bayern

Die Bayerisch-Tschechische Hochschulagentur vergibt im Studienjahr 2018/19 Jahresstipendien aus Mitteln des Freistaats Bayern an Graduierte aus Tschechien. Das Stipendium dient der Finanzierung eines Promotions-, Aufbau- oder Postgraduierten-Studiums an einer bayerischen Hochschule. Es wird zunächst für ein Jahr gewährt und kann auf Antrag maximal zweimal (auf insgesamt drei Jahre) verlängert werden. Das in Monatsraten ausgezahlte Stipendium beträgt jährlich 8.820,- € (monatlich 735,- €). Geförderte mit mindestens einem Kind können zusätzlich einen Beitrag von 160,- € pro Monat erhalten.

Ziel des Jahresstipendienprogramms ist die Förderung der wissenschaftlichen Zusammenarbeit und des studentischen Austauschs zwischen Bayern und Tschechien.

Bewerbungsschluss für Erstanträge für das akademische Jahr 2018/19: 1.12.2017 (Eingangsdatum)

Česko-německý fond budoucnosti

In Brief

Scientific project situated in the field of Czech-german relationships

Who?

students at all levels, including Ph.D. students

Duration?

1 – 2 semester terms

Application?

31.01.2018

www.fondbudoucnosti.cz

PODPORUJEME

STIPENDIA

- každoročně až osm jednosemestrálních nebo dvousemestrálních studijních pobytů českých a německých vysokoškoláků v sousední zemi
- 650 eur na měsíc pro studenty bakalářských oborů a 800 eur pro studenty magisterských oborů nebo doktorandy; jednorázová částka na úhradu nákladů ve výši 650, resp. 800 eur

Žádost o stipendium Česko-německého fondu budoucnosti mohou podat studenti bakalářského, magisterského, ale také doktorského studia. Cílovou skupinou jsou uchazeči ze všech humanitních a společenských vědních oborů. Důležitým předpokladem je mimořádný zájem o jazyk, každodenní život, akademický výzkum a kulturu sousední země. Další podmínkou je konkrétní vědecký projekt na česko-německé téma. Může jít o semestrální, závěrečnou nebo disertační práci.

Fond budoucnosti může podpořit i Váš projekt.
